Qrf is proud to facilitate the first location of PME Legend (one of the brands of Just Brands) in Belgium. The popular Dutch retailer will move into the property of Qrf located on the Meir 107 in Antwerp.

The PME Legend brand is being sold for several years in over 1,500 stores in Europe. It is the first time that a full store space is decorated to express the full look and feel of the PME Legend concept.

In the property of Qrf, with a GLA of 620 m², PME Legend will guarantee an authentic experience and quality craftsmanship with a design that expresses integrity.

Since 1992, PME Legend represents the rough life of the Cargo Pilot and inspires its collection on the classic prop liners which they fly.

This fashion concept for men is tough, authentic and above all adventurous.

The tough 'Generation 2.0' collection (image supra) is only a fraction of the total offer of jeans- and garments that can be found in the store.

Discover what PME Legend has to offer? Just visit the store! Every visitor receives a free welcome gift, as long as the stock lasts.

In this letting transaction Qrf was advised by Cushman & Wakefield.
